Candlewick Lake Public Safety

PUBLIC SAFETY WEEKLY REPORT

Week Ending 4-1-2018

Rescue Calls

Public Safety responded to one (1) medical call this past week. There was no transport.

Loose / Barking Dog Calls

Public Safety responded to one (1) call for a loose dog. The call resulted in a warning being issued.

Loud Music

Public Safety responded to one (1) call for loud music. The call resulted in compliance with no further problems.

Property Damage

-Public Safety responded to the 100 block of Marquette for damage to the property. The investigation is ongoing.

-Public Safety responded to the 100 block of Griffin for a report of a mailbox being removed from the post it was on. No damage was done to the mailbox or the post.

-Public Safety responded to the 200 block of Talladega for a report of mailboxes that had been hit by a vehicle. The vehicle that was involved was located and the driver of the vehicle will be replacing the mailboxes that were damaged.

CO2 alarms/Fire calls

-Public Safety responded to the 800 block of Candlewick Dr. for a report of a CO2 alarm going off. The fire department and ambulance arrived on scene and were able to advise the P/O of what areas to have checked out.

-Public Safety responded to the 1900 block of Candlewick Dr. for a report of a CO2 alarm going off. The Fire Department was able to determine that a new detector would be needed, and the house was ok to return into.

-Public Safety responded to the Rec Center for a report of a possible gas leak. Nicor was sent out and tested the area and it was determined there was no gas leak.

-Public Safety responded to the 100 block of Stanford for a report of a possible fire. The fire was coming from a fire pit and the resident burning leaves. A warning was issued for an illegal burn.

Friendly reminder that leaves are not allowed to be burned in Candlewick.

Nuisance

-Public Safety responded to the 100 block of Gables for a report of a house and vehicles that had been sprayed with silly string. There was no damage and no suspects were reported at the time.

-Public Safety was advised that people were riding horses through Candlewick. They were never located but had left behind unwanted roadway hazards. The hazards were removed by Public Safety.
