

CANDLEWICK LEISURE

A full house.

Craft table for the little ones!

Santa saying "Welcome!"

Some pretty singing from the Belvidere High School choir.

Our annual Breakfast with Santa this past December 16 was the usual highlight of the year with all 176 tickets being sold in just ten days. Of course, there were over 100 tickets sold for moms and dads, and grandma and grandpa as well. The menu was the always kid-pleasing hot cakes and sausage, but the sweet part was watching perhaps three generations wolfing down the maple syrup covered goodies. There were several craft tables around the gym where the young ones could make a Christmas tree from pipe cleaners, or perhaps make their own Christmas card for Mom and Dad.

Entertainment was provided by the Belvidere High School choir, who sang all the Christmas carols of the season, beginning with "Deck the Halls." As the dining part wrapped up, table numbers were called to visit with Santa where each child was photographed with Santa, and also received an age appropriate gift. Most kids were delighted with Santa, while others were terrified of an old dude with a white beard. Gotta give 'em a little time I guess...

Kudos to all our volunteers without whose help, sweet events like this would not happen... and you all know who you are... Merry Christmas All!!

Kids' Painting Class Brought Holiday Fun!

Savannah Oaks

Savannah Oaks:

Savannah Oaks Welcomes the New Year!

As we start the new year, we are thankful for the many exciting changes in process at Savannah Oaks.

Savannah Oaks has become the gathering place for everyone in our community by creating a welcoming atmosphere with activities for golfers and non-golfers to enjoy. Club Manager, Alex Leske and his staff, along with the Golf Commission, are continually investigating ways to improve our facility, activities and amenities.

Before we highlight the new things, let's reflect on the successes in 2023.

- We had more golfers hitting the links this season. In 2023 we had 11,335 golfers which is 2,224 more golfers than in 2022. Total revenues from golf were \$102,853, an increase of \$23,257 from the previous year.
- We saw more participation in our non-golf activities including Pub Trivia, Bingo, Bags Tournaments, TV Sporting Events, along with our favorite special event parties including Cinco De Mayo, Daytona 500, Halloween, and New Year's Eve. The 2,525 participants brought in \$ 37,334 in revenue.

With these added revenues we can continue to grow and make improvements for all to enjoy.

Holiday Gatherings at Savannah Oaks

Thanksgiving Eve – friends gathered for our first annual “Drinksgiving.” Food and drink specials helped everyone get into the holiday spirit.

Black Friday Fall Fest – We had a great turnout for a family gathering the day after Thanksgiving with activities including our CWL resident face painter, Josie Kish providing holiday cheer on the faces of the kids. People brought ornaments for the Christmas Tree Trimming. The outside fire pit was a perfect setting for sipping hot cocoa and making s'mores. Many other food and drink specials helped make a great day!

WinterFest on Dec 22nd. Friends and neighbors gathered for more food and drink specials

BINGO and Pub Trivia fun all through the year!

SO - WHAT'S NEW AT SAVANNAH OAKS in 2024?

New Items on the Menu!

The Savannah Oaks team is investigating and testing several new menu items for 2024.

New items include Chili for the winter months and several different Flatbread choices.

More new items to come so stay tuned!

Savannah Oaks will be open during the winter months with special hours of operation. Hope you'll stop in for some good food, drink and socializing with friends in our wonderful community.

From the Table - Just a Bite

By S.L. Bartels, Drew Ct.

A Bit About All Things Edible

I read cookbooks like most people read mysteries. I'm always on the lookout for interesting recipes, but also for fun food facts and interesting back stories about all things edible. For example:

All parts of a chili are HOT! It is often thought that the seeds are hotter than the flesh. However, according to Cook's Magazine, when they tested all parts of the chili separately, they found most of the capsaicin (heat) is concentrated in the whitish pith, with progressively smaller amounts in the seeds (73mg) and (512 mg) in the flesh.

You can tame the heat in a dish that is too spicy by adding ingredients from the opposite end of the flavor spectrum. Creating the balance depends on the recipe. You may add a fat such as butter, oil, cream, sour cream or cheese OR something sweet such as honey sugar or syrup. You would make your selection based on what would work best with the other components in the dish.

Items that stay fresher in the freezer: bay leaves, whole wheat flour, nuts & seeds, yeast and butter.

Rejuvenating crystallized honey. Remove lid from glass honey jar. Place honey jar in a saucepan with 1 inch of water and gently heat over low heat until honey is smooth. **To prevent re-crystallization,** stir in 2 teaspoons light corn syrup per 1 cup honey before transferring honey to a clean jar. The corn syrup inhibits crystals from reforming.

How to revive wilted produce. Leafy Greens- such as lettuce, spinach, arugula. Soak greens in ice water for 30 minutes and drain.

Vegetable Stalks- such as broccoli, asparagus, celery, scallions or parsley. Trim off bottoms of stalks or stems on a bias. This exposes more stem/stalk capillaries which will allow more water to be wicked back into the vegetable. Stand produce in a container filled with ice water for 1 hour.

Re-baking under baked cookies. Sometimes cookies appear to be baked but remain raw or doughy in the center. The sources I've read suggest lowering the baking temperature by 50 degrees f. and re-baking them by the entire time listed in the recipe. The drawback is that the center will be cooked but the longer time will crisp the edges more.

I leave you with the following from the Indian Hills Community of Colorado, a Quick Foodie Quiz and a simple dip recipe at the end of this article to enjoy with a cup or glass of your favorite beverage and snack while you read your favorite book.

Does Your Roof Have Hail Damage or Missing Shingles?

Don't assume the recent storms in our area did not cause damage to your home

We offer FREE storm damage assessments of your property.

This includes assessing your roof, siding, gutters, and windows. Hail damage may not always be visible to the untrained eye, it takes a trained professional to identify how hail may have affected your exteriors and compromised the longevity of its current life span. Missing or damaged shingles can lead to complete re-roof. Your insurance is obligated to return your home to pre-existing storm conditions. We advocate for our customers to ensure they get a fair settlement, and all damages are covered and repaired by your insurance!

Locally owned and operated for 25 years

GAF Master Elite Certified Inspector and Installer

25-year labor/workmanship warranties on all roof replacements.

50-year non-prorated warranties on material and labor on all roof replacements.

Our factory certified inspectors have been trained to properly evaluate storm damage.
